

LIVING IN LIGHT OF A GLOBAL CRISIS

How To Live When Things Are In Crisis

SERIES GOAL

Every week has a main point – what we want to walk away from the discussion knowing, feeling, and doing.

▶ MAIN IDEA

In a crisis, look past all the problems and look to God, who transcends every problem.

▶ HEAD CHANGE

When the Lord is on the scenes of our crisis, we lack nothing of what we truly need in life.

▶ HEART CHANGE

To be confronted by the gracious provision of God regardless of the circumstances in which we find ourselves in this world.

▶ LIFE CHANGE

To abandon whatever tempts us away from following the Lord.

OPEN

Describe a time in your life when you were facing a crisis. What happened? How did you handle the situation? How did you find your way through the crisis?

No one likes having to face a crisis. It's much easier to navigate these times when we have the Lord's perspective on the matter. His desire is to guide, provide for, and care for his children. With God we will discover that we lack none of what we truly need in life.

What did the Lord reveal to you through this message? (Did you gain a specific insight into your life? What challenged you? Did the Holy Spirit convict you in any area?)

How were you encouraged through this message about living in a crisis? How can you use what you've learned to encourage someone else—in your personal life, at work, or at church—and equip them as a disciple of Christ?

God can glorify Himself even in the midst of tragedy. Seek ways you can partner with Him when disaster strikes (i.e. meet needs, recognize pain, love others, etc).

Write down two or three ways you hope God will help you grow as a result of this series.
