

September 2017

Lakeshore Member and Attender:

Lakeshore will again host a Feed My Starving Children event this year. As we have stated in the past, this costs Lakeshore \$44,000. Your support of Making Waves each year is what supports this phenomenal experience.

So far Lakeshore has packed over 1,000,000 meals in the last 5 years. These meals were then used to feed starving children in Haiti, Uganda and Honduras. Through Lakeshore efforts, we have impacted many starving children both in body and in spirit. This year we will again pack 200,000 meals for FMSC and surpass 1.2 million meals packed by Lakeshore

Each year, we also try to raise a portion of the funds via outside donations and corporate sponsorships. For the 2016 FMSC event, we raised about \$10,000 from outside groups and organizations. In doing so, we realized that many companies have funds available for support of events like ours.

We would really appreciate any of you who are interested in this event, going to your employer and seeing if they would be willing to help sponsor this year's event. Maybe they would make a direct donation or maybe match a donation you personally make. Any donation support would be greatly appreciated.

Attached to this letter is a summary about FMSC that you can use to have a discussion with your company. If you have any questions, feel free to contact Ken and Sandy Oemcke at koemcke@rochester.rr.com.

When and if you do talk with your company, please also invite them to participate in our event.

Thank you so much for considering this request.

Ken and Sandy Oemcke
