A 20/20 VISION FOR 2020

Lakeshore Friends—

As we approach the year 2020, we need a clear, 20/20 vision of our future so that we are prepared for it. As we look ahead, we realize the need for an addition and some modifications to our facility to accommodate the changing and growing needs of our children and our teens. We also need to continue strengthening our outreach and missions efforts— above and beyond our General Budget giving— so that we can continue to fund our local and global efforts.

That's what Making Waves 2020 is all about.

THE VISION FOR 2020 IS CLEAR:

SPACE FOR KIDS

We must add more space to our building to meet the needs of our growing Lakeshore Kids program before rooms become too crowded.

SPACE FOR STUDENTS

We need to add a large group venue for our Students in Middle and High School because they don't have one that meets their needs effectively.

FUNDS FOR GREATER IMPACT

We are compelled to continue impacting Rochester inside our walls with an excellent ministry, and outside our walls through the Making Waves Serve Initiative and additional funds are needed.

FUNDS FOR MISSIONS

We are called by God to impact those less fortunate than us through missions events like Feed My Starving Children and ministries like ORPHANetwork in Nicaragua.

MAKING DISCIPLES

We are commanded to do all that we do to glorify God as we fulfill our Lakeshore vision to help more and more people discover and develop a growing relationship with Jesus Christ.

This brochure explains and illustrates what each of these goals looks like and what it will take to get there. Please read it over, consider the opportunities it presents, pray about the part you will play in fulfilling the vision, and then help it become a reality through your financial commitment.

One thing is clear: people in our church, our community, and our world need the Good News desperately. We are positioned to provide it to more and more people through this impact opportunity.

If you agree, will you be a part of Making Waves 2020?

Warmly,
VINCE & SUE DIPAOLO

WHAT YOU SHOULD KNOW ABOUT...

YOUTH

Making Waves 2020 will help every child from birth through High School. That's really important because:

22%

of people at Lakeshore on a typical Sunday Morning are UNDER 18 YEARS OLD

85%

of people who become Christians do so between the ages of 4-14 YEARS OLD

94%

of people who become Christians do so by the time they are 18 YEARS OLD

ROCHESTER

Making Waves 2020 will help us reach more people in our spiritually and physically needy community. That's really needed because:

NEW YORK is ranked

43

out of 50 states in church attendance

IN ROCHESTER

Less than 10% of people attend a BIBLE-BASED church on Sundays

ROCHESTER is the 13th most POST-CHRISTIAN unchurched city in America

ROCHESTER is the 5th POOREST CITY behind Detroit, Cleveland, Hartford, and Dayton

Upstate NEW YORK has only 8 churches with over 2,000 in ATTENDANCE

WORLD

Making Waves 2020 will help us touch more lives around the world with food and with the Good News. That's really critical because:

ONE BILLION children live in POVERTY

and nearly half the world lives on \$2.50/day or less

ABOUT 20% OF THE WORLD has not yet clearly heard the GOSPEL MESSAGE

People who are helped PHYSICALLY ARE ALWAYS MORE OPEN to hearing the gospel

WE'RE CALLED TO SHARE THE GOSPEL WITH THE WHOLE WORLD

MATTHEW 24:14, 28:18-20

HOW MAKING WAVES 2020 WILL HELP US GET FROM

HERE

TO THERE

01 WE ARE STARTING TO EXPERIENCE FULL ROOMS IN LAKESHORE KIDS

On high attendance Sundays, some of our children’s classrooms are approaching full capacity. And as the church grows and more children attend, the problem becomes more critical to resolve sooner than later.

02 WE DON'T HAVE THE RIGHT SPACE FOR STUDENTS

There is no appropriate large group space for our students to meet in so they currently meet in a smaller room that wasn’t intended for this purpose. This limits how we can connect with them and sends the wrong message about their importance in our church.

03 ADULTS HAVE NO FREE ROOMS ON SUNDAYS AND IT CREATES A BOTTLENECK

Currently, there are no rooms available for adults to meet in on Sunday mornings. This creates challenges for classes, groups and seminars that could reach more people if they were held during these times.

04 WE NEED FUNDING TO KEEP REACHING OUR COMMUNITY

Over the past two years, we have helped people all around Rochester through the Making Waves Serve Initiative. We support groups like schools, organizations, sports leagues, and churches by helping them with a variety of projects and provide funding.

05 WE NEED TO SUPPORT THE “LEAST OF THESE” WORLDWIDE

Over the past six years, we have partnered with Feed My Starving Children and ORPHANetwork (in Nicaragua) and they need our financial support to accomplish all they do for the physically and spiritual needy in our world. And this support only comes from Making Waves 2020.

01 WE WILL REACH MORE CHILDREN

We will have spacious and creatively themed rooms for children so that we send a clear message to parents and their children that they are valued by God and by us.

02 WE WILL REACH MORE STUDENTS

We will have the right staffing, the right environments, and the right-sized rooms so that our current and future Middle and High Schoolers have every opportunity to learn about Jesus, grow in Him, and have fun.

03 WE WILL HELP MORE ADULTS ON SUNDAYS

With the addition of the Lakeshore Kids and Student rooms, along with the addition of a ceiling-to-floor curtain in the gym, we will be able to hold adult classes during Sunday services in the newly freed up room 110.

04 WE WILL CONTINUE TO REACH ROCHESTER OUTSIDE OUR WALLS

We will strengthen our Making Waves Serve Initiatives all around Greece and Rochester so that we can reach people where they are. We will continue honoring God and communicating our love to people who may be open to the Good News of Jesus in tangible ways.

05 WE WILL CONTINUE OUR SUPPORT FOR THE POOR & WORLDWIDE MISSIONS

We will maintain and strengthen our partnerships with Feed My Starving Children, ORPHANetwork, and other international missions partners so that we impact the poor and hungry beyond Rochester.

JILL FREESE

CHILDREN'S DIRECTOR

Making Waves 2020 will provide the quality space for Lakeshore Kids to have high energy worship time with room to move. Classes that are at, or over, capacity will have the space to spread out, so kids can learn without bumping into each other. Lakeshore Kids provides high-quality Bible teaching and Making Waves 2020 will make that teaching even better!

TIM SLATER

STUDENT LEADER

Imagine, being able to do more. Imagine, being able to reach out to kids in the neighborhood. Imagine having a space, where our teens will be able to invite their friends to come. A place where they can all gather in one area. Imagine, more kids being reached and accepting God. The new ISM room would facilitate this.

DAVE BUJAK

MISSIONS TEAM

Lakeshore’s Student Ministry was a big draw for our kids who appreciate a good dose of fun and fellowship with the Word. Consider the Making Waves building expansion a mission: to attract the youth of our community to Christ, at a time when even their own families may not have that priority.

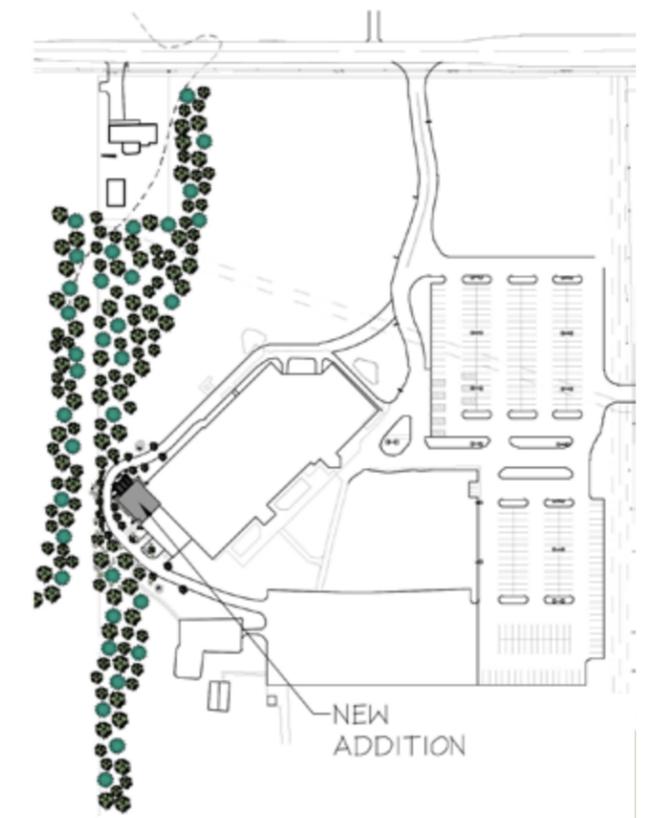

RACHEL SIMPSON

ISM STUDENT

It would be awesome to have a bigger room, and the current student ministry room would be great for the children’s ministry. The project would allow more people to hear about Jesus, which is the most important thing.

THE NEW STUDENTS & KIDS ROOMS

for a more in-depth look, visit MakingWaves.info

We will be converting one of our current Student rooms (134A) into a Lakeshore Kid's room to accommodate our growing children's ministry. A flexible wall partition will be added between it and room 132 to allow the Lakeshore Kids program to have more options. We will also add a gym curtain for large group times.

We will add a new, large group Student room so that our teens have a space that is larger than their current cramped teen small group rooms (134B & C). This will allow rooms 134 B & C to be used for their original purpose: as a small group and hang out venue.

THE NEW STUDENTS & KIDS ROOMS

The new Lakeshore Kids room will add another room and more flexibility on Sundays for mid to upper elementary students in 2nd – 5th grade.

The new Student room will hold 80+ kids and is both right-sized and designed to effectively hold impactful services and events.

WHAT WILL MAKING WAVES 2020 COST?

Making Waves 2020 will fund the new construction projects and these annual missions efforts. We hope to begin construction of the new and modified spaces in April 2019. The timing of construction will depend on the speed of funding that comes from Making Waves 2020. The following is a breakdown of our estimated projected costs (subject to modest changes):

01	Student Room addition:	\$350,000
02	Lakeshore Kids room conversion:	\$25,000
03	Room equipment, technology and furnishings:	\$50,000
04	Local and world missions projects:	\$75,000

\$500,000
TOTAL COST

But just as you excel in everything—in faith, in speech, in knowledge, in complete earnestness and in your love for us—see that you also excel in the **GRACE OF GIVING.**

THE PROCESS OF COMMITMENT

THE PROCESS OF COMMITTING TO MAKING WAVES 2020 IS A SPIRITUAL JOURNEY.

WE ARE CONFIDENT THAT GOD HAS A PLAN for Lakeshore and a vision for what He wants to do through us. It is up to us to discern and respond to His plan.

This Fall, you will have several opportunities to receive guidance along this journey. Our **Sunday services** will highlight the spiritual growth emphasis for the campaign. **Making Waves 2020 Informational Meetings** will be held on multiple nights at church to help you understand the vision and need for this project and how your financial commitment can help further our mission. You can also visit **MakingWaves.info** to give and see realtime updates of the project.

Additionally, we will hold a **Day of Prayer** event on Saturday, November 17 to ask God to work out His perfect plan for Lakeshore and to guide all of us. Our prayer will be, "Lord, what do You want to do through me to accomplish Your will for Lakeshore?"

The climax will occur at our **Making Waves 2020 Commitment Services** on Sunday, November 18. It will be a time to thank God, to appreciate His blessings, and to celebrate together as a church family. At these services, we will turn in our Making Waves 2020 commitment cards as a way to give back to the God who has used this church to give to us all.

COMMITMENT DAY

SUNDAY, NOVEMBER 18

We ask everyone at Lakeshore to bring their commitment cards to church. Our financial commitments should be what we intend to give over-and-above our regular tithes and giving during the next 24 months. If you are unable to attend the services, we request that you turn in your card or make a commitment online at **MakingWaves.info** as close to November 18 as possible.

on an exciting
ADVENTURE,
& we wouldn't want
you to miss it!"

MAKE LAKESHORE A BENEFICIARY IN YOUR WILL

There are ways to include your church in your estate and leave an inheritance to your heirs at the same time. We're here to help.

PASTOR VINCE'S CHALLENGE TO YOU

**TODAY, WE ARE BLESSED BY GOD SO THAT
WE CAN BE A BLESSING TO OTHERS.**

We have been given the privilege of being used by Him to impact our world. Hundreds of people have made sacrifices over the years for all of us to enjoy what we now have. It will take all of us together to share in this sacrificial effort to reach the goal. The cost is simply too heavy for only a few to carry.

Lakeshore has always been a church based on trusting God by faith for our future. We long for everyone at Lakeshore to live the same way as we consider our part in Making Waves 2020. If you seek God's will and make a generous gift by faith, our history suggests that you will receive in proportion to your giving—not just or necessarily financially, but just what God knows you need. You cannot out give God! So commit an amount that will require God's help to fulfill.

Our family is making the largest sacrifice we have ever made over these two years. We know how faithful God has been. There is nothing better that you can do with your money than invest it in God's work through the church and in the world. Step out in faith and invest generously in Making Waves 2020.

MAKING WAVES 2020

MAKE A DIFFERENCE FOR ETERNITY

LET'S MAKE WAVES FOR OUR CHILDREN.

And anyone who welcomes a little child like this on My behalf is welcoming Me.

MATTHEW 18:5, NLT

LET'S MAKE WAVES FOR OUR COMMUNITY.

Christ loved the church and gave Himself up for her... for we are members of His body.

EPHESIANS 5:25B, 30, NIV

Yes, I try to find common ground with everyone so that I might bring them to Christ....

LET'S MAKE WAVES FOR OUR WORLD.

Therefore go and make disciples of all the nations...
